# Global Journal of e-Business & Knowledge Management

(e-Journal of GIFT School of Information Technology and Knowledge Management)

Global Institute of Flexible Systems Management

## Call for Papers

Dear Colleagues,

We are happy to introduce to the e-Journal 'Global Journal of E-Business and Knowledge Management' in circulation since 2004. The journal is part of the open source initiative of the Global Institute of Flexible Systems management, a non-profit society formed to enrich the management paradigm to meet the current reality and the challenges of fast-paced information technology of the new millennium ([www.giftsociety.org](http://www.giftsociety.org)). The Advisory and Editorial Board comprises of leading academicians across the globe. The journal aims to make significant contributions to the world of knowledge and practice of IT facilitated management globally. A huge focus is in the development of theory and application of new methods and algorithms within the domain of E-Business and Knowledge Management.

**We are looking forward for submissions in the following areas:**

- Social media and its applications
