

## About GIFT

**GIFT** (Global Institute of Flexible Systems Management) is a professional society to enhance “flexibility” in business and management.

### **Mission**

To evolve and enrich the flexible systems management paradigm for the new millennium.

### **Vision**

Evolving as a global forum for interaction of all interested professionals and organizations in a truly flexible mode so as to help them create more options, faster change mechanisms and greater freedom of choice in their own settings.

### **Schools**

The Institute comprises of various schools, which are autonomous bodies, dealing with contemporary areas at the cutting edge contributing to the flexible systems management paradigm. At any point of time, each member can opt for an association with any three of the following schools in the respective thrust areas:

- School of Global Management
- School of Technology and Innovation Management
- School of Information Technology and Knowledge Management
- School of Learning Organization and Strategic Transformation
- School of Quality, Productivity and Wastivity Management
- School of Environment Management and Sustainable Development
- School of Human Values and Management Ethos
- School of Social Change
- School of Entrepreneurship
- School of Services Management
- School of Strategic Alliances Management

### **Publications**

- Book Series on Flexible Systems Management
- Quarterly Journal–“*Global Journal of Flexible Systems Management*” ‘giftjournal’  
(**Full text of the Journal is available on online databases EBSCO and ProQuest**)
- Newsletter – “Flexibility”
